

Would you like to create a community bond?

What is A Neighborhood Association??

- It is a voluntary organization made up of residents in your place. We try to make comfortable living place and make warm relationships with your neighborhood.

The role of the Neighborhood Association

- To give opportunities to communicate with neighborhood through community events or activities.
- To make a strong relationship so that people can help each other in the case of emergency.
- To solve modern society issues: low birthrate, aging population, crime rate, and disaster, which cannot be solved by individual or each family.

Activities in Neighborhood Association

Disaster Protection Activity

We are conducting emergency drill for disaster and patrols. In the case of emergency, we stock the necessary equipment of disaster prevention for emergency.

We do patrols to prevent crimes, and traffic safety campaigns in spring and autumn.

Crime Prevention and Traffic Safety Activity

Information Sharing

We provide event information of town and our association by circulating kairanban (community board) or notice board.

We have some events anyone can feel free to participate.

- Summer Festival
- Bon-odori (Traditional Japanese Dance Event)
- Mochi-tsuki (Pounding Rice cake)

Communication Event

Environmental Protection

We clean up the area and collect reusable resources such as cans and bottles for making beautiful town.
